

Incorporate with Confidence

Capitol Lien's Service Approach To Business Formation

When incorporating your business, it's important to start with a solid base. We successfully guide our customers through business filings every single day. Since our service team members have an average tenure of 10+ years, our corporate team has in-depth knowledge of each jurisdiction required in order to successfully form your company, and ensure you get it right the first time.

We Understand Your Goals | Here's How We Help You Get There

Corporate Projects

- Helping to meet tight deadlines
- Special filing requirements
- We understand which documents are needed
- Unique state requirements based on entity type
- Quick and accurate estimate of costs, including competitive service fees and disbursements

Review of Entity

- Check name(s) for availability
- Reserve name(s) if needed
- Review DBA or Assumed Name options if requested
- Ensure name(s) are state compliant
 - No restricted/prohibited words
 - Proper corporate indicator

Registered Agent Services

- A Registered Agent must be designated where the company is formed and also in every jurisdiction where the company is qualified to do business
- Annual Renewal filings are critical to remaining in good standing
- As a service industry leader, Capitol Lien understands Registered Agent requirements

Document Review

- Review documents for accuracy
